TEACHING EXPERIENCE

Instructor

- **Financial Markets** Libera Università di Bolzano (2026 - Present)
- **Econometric Models for Art Price Prediction** - Intensive Program in Art Markets and Finance - SDA Bocconi (2025 - Present)
- **Statistical Psychometrics** Università Cattolica del Sacro Cuore (2023 - 2026)
- **Credit Risk** Università degli Studi di Brescia (2023 - Present)
- **Financial Markets and Institutions** Università degli Studi di Brescia (2021 - Present)
- **Microeconomics** Università degli Studi di Brescia (2020 - 2021)

Teaching Assistant

- **Design Thinking and Business Innovation** - Bocconi University (2024)
- **Managerial Issues in Made In Italy Industries** - Bocconi University (2024)
- **Global Management for Ferrero** - SDA Bocconi (2024)
- **Luxury Companies in the Global Landscape** - Bocconi University (2023 - 2024)
- **Managing the Multinational Corporation** - Bocconi University (2023)

Secondary Education Teaching

- **Mathematics, Economics, and Computer Science** - Canossa (2017 - 2022)

PROFESSIONAL EXPERIENCE

Machine Learning Analyst — *Brembo* — 2025

- Developed forecasting and simulation models to optimize industrial operations, operational decision-making and maintenance planning
- Designed ML tools for anomaly-detection and efficiency diagnostics to identify process deviations and quantify performance

Financial and Business Analyst — *Syrto* — 2024 - 2025

- Develop AI-powered financial models combining ML algorithms with traditional analysis
- Create business intelligence dashboards and forecasting models using advanced econometric techniques

Business and Financial Planning Trainer — *Studio Dott. Begni & Associati* — 2024

- Designed and delivered two training sessions (theory + hands-on) on business planning and three-statement financial modelling (P&L, balance sheet, cash flow)
- Built a customizable Excel forecasting tool and provided staff training and documentation

Financial Education Instructor — *Starting Finance* — 2023 - Present

- Design and deliver curricula on personal finance, investment analysis, and business planning
- Lead "Founders Academy" workshops on business model development and financial projections

Executive Business Consultant — *SDA Bocconi – EMILUX* — 2023

- Provided strategic business and financial consulting for international luxury executives
- Developed financial frameworks and valuation methodologies for luxury brand management

Data Analyst — *SA FINANCE* — 2023

- Built a client and prospect database integrating public records and AIDA company data; standardized data ingestion and quality checks
- Drafted operating checklists and SOPs to streamline information gathering and due diligence workflows

Econometric Analyst — *Start-Up* — 2023

- Conducted FX market assessment and designed a short-horizon forecasting process to support hedging decisions
- Implemented a backtesting routine and delivered a monitoring dashboard with alert thresholds

Business and Financial Planning Trainer — *Studio Associato Piccinelli & C.* — 2023

- Delivered two afternoon workshops (theory + practice) on business planning and financial modelling for SMEs
- Developed an Excel-based forecasting model and handover documentation for internal use

TECHNICAL SKILLS

Programming: Matlab, R, Python, LaTeX
Financial Databases: PitchBook, FactSet, Morningstar, Refinitiv, Bloomberg
Other: Excel/VBA, Microsoft Office Suite

ACADEMIC SERVICE & PROFESSIONAL ACTIVITIES

- Referee for: *The Journal of Technology Transfer*, *Entrepreneurship Theory and Practice*, *Ecological Economics*, *Energy Economics*, *PLOS ONE*, *International Journal of Arts Management*.

LANGUAGES

• **Italian:** Native • **English:** Professional proficiency • **Japanese:** Basic knowledge

HOBBIES AND INTERESTS

- Powerlifting (Squat 265.00kgs, Bench Press 187.50kgs, Deadlift 307.50kgs)
- Classical Music
- Hiking
- Anime & Manga
